

Temporary closure of Lambeth North station for improvement work

from Wednesday 13 July 2016
until mid-February 2017

Bakerloo line trains will not stop at Lambeth North
while we replace both lifts

What's happening from Wednesday 13 July 2016?

As part of our plan to modernise the Tube, we are replacing the lifts at Lambeth North. This will offer a more reliable and comfortable service for customers.

The current lifts are nearly 30 years old and are unreliable. Due to the design of the machine room and lift shafts, replacing the lifts is a difficult and complex process. Closing the station will allow us to complete this work as quickly and safely as possible.

Alternative travel advice

Bakerloo line

Jubilee line

Northern line (Charing Cross branch)

Waterloo station is approximately a 10 minute walk, or a short bus ride, away.

Bakerloo line

Northern line (Bank branch)

Elephant & Castle station is approximately a 15 minute walk, or a short bus ride, away.
